

# VISION

Following the engagement exercises the group created a vision for Wickersley. This outlines how people would like to see Wickersley developed and what it will be like as a place by the end of the Neighbourhood Plan.

**“In 15 years Wickersley will continue to be a thriving community with a variety of amenities and facilities serving a diverse local population.**

**New, high quality housing will meet the needs of local people whilst sympathetically responding to the character of its area. Green and open spaces will be protected, and where possible, enhanced, with new recreational facilities for young people.**

**Public transport, walking and cycling infrastructure will be improved making it accessible and safe for all to travel and commute. The village centre will be vibrant and sustainable, boasting a range of shopping, leisure and community services with high quality public realm.**

**Historic and heritage assets will continue to be protected and new development will be designed in a way that is respectful of and sensitive to these defining characteristics.”**
